Pharmacy and Healthcare - Job Shadow Opportunity

Are you interested in a career as a pharmacist or related healthcare field?

- Learn how a pharmacy operates and explore the medical field alongside experienced professionals
- Add valuable work experience to your resume, job applications, or post-secondary plans
- Connect with professionals who can offer career advice—or even future references
- See how science (biology, chemistry, and math) is used every day to help real people
- Understand how medications are prepared, handled, and explained to patients
- Flexible hours to fit your school schedule
- Earn WEX 12 credits toward graduation

Qualifications

- Keen interest in sciences and medical-related fields
- Interested in exploring a career as a pharmacist, medicine, or other health-related field
- Motivated to learn
- Responsible, hardworking, reliable

Interested? Complete this application and submit it to a teacher in the Careers Centre.
